

Do You Know Your “QTR” Rating?

QTR = Quality Time Remaining.
See the formula below.

Your Age x # Children x # Grandchildren = Your QTR

*If any children live outside your home, their value doubles.
If they live out of state, it triples.*

- Score 0-250** = Start searching for a family retreat
- Score 251-500** = Get off the fence, memories await!
- Score 501-750** = Don't wait, call a REALTOR today!
- Score 751+** = Still pondering... are you kidding?

All markets are different - nationally, regionally and even locally, and markets do go up, and they do go down, but one Park City FACT remains the same.

If you wait another year to buy, you and your family will be one year older when you do!
